Re: Ox Bottom Units 7, 8 & 9
Location: Ox Bow Road
Outside City Limits

Dear Mr. Campbell:

The final inspection has shown your water system to be completed in substantial accordance with the plans and specifications approved by this office. Therefore this system is accepted for ownership and maintenance by the City of Tallahassee. This acceptance is subject to the recording of the necessary easements. No refunds will be processed until the project is complete.

Your two (2) year guarantee of materials, equipment and workmanship required by the City's specifications will expire two (2) years from this date for that portion of the system installed by you.

Sincerely,

Jerry Walden, P.E.
Water Utility
